WINE COMPANY

NAPA VALLEY CABERNET SAUVIGNON 2018

MORE WINE, LESS EGO.

WINERY Disruption originated in Washington State, where we make great wines (that people can afford to enjoy on a regular basis). We use the best fruit available from growers we respect. Today, we have expanded our lineup to include this Limited Edition bottling out of California's Napa Valley. We are DISRUPTing the wine industry through a collaboration of art, community, and awesome vino! As we shake up the industry, we invite you to join in experiencing #MoreWineLessEgo.

WINE The 2018 Napa Valley Cabernet Sauvignon is dark and intense with a deep, ruby-colored core. The nose offers rich, layered aromas of black cherry and cocoa. The texture is velvety soft and seductive, with a finely balanced acid and tannin structure. On the palate, taste flavors of blackberry, baked plum, and clove. The wine is robust and plush with hints of spice from resting in French oak barrel.

FOOD Pair this with slow-braised beef short ribs or grilled lamb leg with fresh rosemary.
