

# DISRUPTION CHARDONNAY 2015

WINE COMPANY

**THE WINE:** The 2015 Disruption Wine Company Chardonnay is a versatile, crowd-pleasing wine that is made in a classic, refined style. Calcium-rich, basalt derived soils in the vineyard are packed with caliche and gravel that give the wine a complex minerality. An Old-World approach in the winery provides a clean wine that is a perfect choice for many food pairings or can stand alone as an aperitif.

**THE COMPANY:** At Disruption, we believe all young artists deserve the opportunity to express themselves. That's why we teamed up with our partners at Urban Artworks, a Seattle-based non-profit offering programs for local youth to engage in the arts and discover their own style of DISRUPTION. We bring the amazing murals they create around the city to our labels and into your hands.

URBAN  
ARTWORKS

**WINEMAKING:** The majority of the fruit for this wine was sourced from the Evergreen Vineyard in the Ancient Lakes AVA. This cool climate site has long been considered one of the finest sources for white wine grapes in Washington State. The addition of a touch of fruit from the much warmer Two Mountain vineyard provides body and complexity. Vinification in stainless steel keeps the style super clean. Twenty percent went through malolactic fermentation and 8 months on the lees, with weekly hand-stirring, imparts a creaminess and rounds out the mouthfeel.

**TASTING NOTES:** This is a very precise style of Chardonnay. Aromas and flavors of lemon and apple are complemented by notes of brioche imparted by the lees contact and gentle hand-stirring.

**FOOD PAIRING:** Enjoy it with a dish of fresh fish and veggies or on its own as an aperitif.

**COMPOSITION:** 100% Chardonnay

**APPELLATION:** Columbia Valley, WA

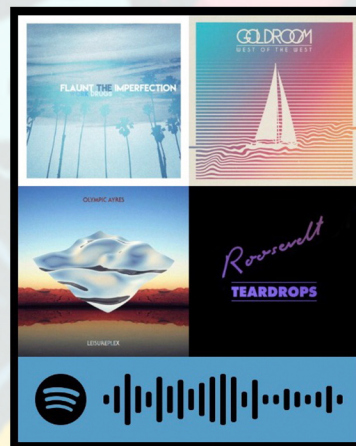

**VINEYARDS:** 94% Evergreen Vineyard & 6% Two Mountain Vineyard

**T.A.:** 6.6 g/L

**P.H.:** 3.49

**ALCOHOL:** 13.5%

**CASES MADE:** 5586
